

ENVIRONMENTAL SERVICES

IMPROVING YOUR BUSINESS ENVIRONMENT **WITH INNOVATIVE TALENT**

In order to stay competitive and profitable, your environmental firm needs professionals capable of blending scientific innovations with practical application on a commercial scale. With our extensive hands-on experience in the industry and unique recruiting approach, The Newport Group knows how to find these game-changing professionals for any position in the industry. Our search process guarantees we only work with candidates who are **in the market**, not just "on it", so we know that every expert we present is qualified for the position and dedicated to their practice. What's more, we tailor our searches to meet your unique needs, ensuring your human capital investments provide a fast, long lasting and positive return.
