

## ENERGY, OIL & GAS MIDSTREAM & DOWNSTREAM

### IMPROVING YOUR ENTERPRISE **WITH ENERGY EXPERTS**

In order to be successful, your energy enterprise has to be made of professionals familiar with all applications of oil & gas—exploration, production, transportation, storage, marketing, and refinement. That's why you deserve an executive search firm with deep industry knowledge and a dynamic, time-tested recruiting solution to help you find the talent you need to keep your oil & gas teams successful. With deeply connected networks and over 100 cumulative years of recruiting experience within the oil & gas industry, The Newport Group has the access and expertise needed to help you find the leadership you need to stay ahead of your competition and grow your business. Our search process guarantees we only work with candidates who are **in the market**, not just "on it", so we know that every expert we present is qualified for the position and dedicated to their practice, ensuring they make a lasting, positive impact with your firm.
